# Funding Proposal

**Title:** Raised Cedar Bed Project

**Organization:** AS ESP - The Outback

**Date:** 10/14/09

**Background:**

During FY 2008-09 \$11,000 was allocated to the budget FXXOUT - The Outback and was intended for four major renovation projects. Three of the projects were completed: the greenhouse replacement, the tool shed replacement, and the signs project; however the execution of all the projects took longer than anticipated. So, the remaining Raised Cedar Bed project could not be completed during the fiscal year in which the funds were allocated.

**Proposal:** The AS Business Office is proposing that Seven Thousand, Eight Hundred Sixty dollars (\$7,860) be carried forward from FY 2008-09 budget FXXOUT - The Outback to FY 2009-10 budget FXXOUT - The Outback.

**Special Consideration**

The Business Office would like the board to consider suspending the operating laws to hear and vote on this proposal during one meeting. The raised bed project is very weather-contingent. There is a need to start it as soon as possible, before the ground starts freezing- otherwise the Outback will have to wait until next year and request that the money be carried forward once again.
